**Subject:** The final Conversion  
**Importance:** High

Lori, could you please pass this on. Thank You, Robert.

All the plans should look for 041228.CON files. If there is not a .CON file with this date on their server then they had no new records for the final conversion run.

All 55##### (LTC VD) plans had no records on the final conversion.

No file for 010174 (MHP Residual).

No file for the following LTC plans:

110003 (CHS), 110023 (MHP), 110065 (PIN), 110049 (VEN), 110025 (YAV).

BHS, CRS, PBM, and MIPS files will be ready by 11am today.

*Robert Heppler*
